## Background Design | 2D Layout

### Bio

I am a former banker from Hong Kong who called quits in midst of a global pandemic to pursue my lifelong dream of working in animation. I am passionate about bringing stories from new perspectives to life, and am currently seeking opportunities in design where I can apply my creative problem solving skills in a production setting.

### Work

#### **Atomic Cartoons** — 2D Background Layout Artist

October 2021 - Present

- Design backgrounds for Sony Pictures Animation's "Young Love" TV series
- Utilized storyboard to design interior and exterior sets
- Collaborated with and addressed notes from Art Director and Supervising Artist for completion of all assignments

#### **Freelance Artist** — Background Design, Painting, Colorist

September 2020 - Present

- Background layout artist for independent animated short "Under the haunted Moon".
- Background artist and colorist for MFA animated productions at USC

#### **UBS** — Client Advisor

July 2018 - September 2020

- Developed and managed key relationships with high net worth clientele in the APAC region, focusing principally on Hong Kong and Taiwan.

### School

#### **Center for Digital Media (2020-2022)**

- MA in Digital Media.

#### **Women in Animation Mentorship Program (2020)**

- Mentored by Animation Director Mark Davis and Mike Davis.

#### **Barnard College of Columbia University (2014-2018)**

- BA in Economics.
